

# TeamWorks Application

The TeamWorks (TW) program at HandsOn Bay Area (HOBA) combines our three core values – volunteer, learn and lead – into one great program. Through this unique service-learning experience, volunteers meet new people, learn about community issues and provide important volunteer service to local organizations. Additionally, all participants will be trained as HOBA’s project leaders. Learn more about TW at [www.hoba.org](http://www.hoba.org).
